Reverend Chresten and Bridgette Tomlin have been involved in full-time preaching and music evangelism for the past eleven years. Their travels have taken them across the nation and around the world. Reaching out to lost souls through the preaching and singing of the Gospel of Jesus Christ is their passion, as well as their mission purpose.

Chresten and Bridgette are accomplished recording artists, with six recording projects to their credit. Their most recent album, **Fresh Oil**, lives up to its name with music that instantly ushers in the very presence of God.

Having been raised in the fire of Pentecost, the Tomlin's know the value of living a Spirit-led life. God has placed a call upon them to bridge the generational gap, which will propel the Church into the future. They desire to raise up a new generation of Pentecostals, filled with the Spirit and driven by conviction.

This ministry continues to see tremendous growth, as God is making a final call in this last days' harvest. In the year of 2008, over 2,500 found Jesus Christ as their personal Lord and Savior for the very first time, stateside and overseas. Hundreds of others recommitted their lives to the Lord. Many were delivered, healed, and over 1,000 received the baptism of the Holy Ghost. The Tomlin's believe that 2009 will be a year of great harvest, but also a year of separation of the *true* Church from the world.

The Tomlin's make their home in Tulsa, Oklahoma.
