

Chresten Tomlin Press Release

Reverend Chresten and Bridgette Tomlin have been involved in full-time preaching and music evangelism for the past 28 years. Their travels have taken them across the nation and around the world, ministering in concerts, special services, and revival meetings.

Having been raised in the fire of Pentecost, the Tomlins know the value of living a Spirit-led life. God has placed a call upon them to bridge the generational gap, which will propel the Church into the future. Chresten is an ordained minister with the Assemblies of God. He combines a passionate burden for the lost and a fervent hunger for holiness to produce powerful, Pentecostal preaching. His message drives home basic principles for living the overcoming, joy-filled Christian life.

Chresten is also a soulful singer who produces powerful and anointed Gospel music. His repertoire covers everything from black Gospel to southern Gospel and everything in between! This couple's desire is to raise up a new generation of Pentecostals, filled with the Spirit and driven by conviction.
